We would like to take this opportunity to thank all players who put their names forward to play in the Inter-Association Team. Unfortunately, not everyone would be selected as each club had similar numbers represented.

Congratulations to the players that have been selected in the Inter-Association games against Broughton, Woorooa and Mid North. Players will need to be at Tanunda by 09:00 a.m. in their club uniform for a 9.30am start. All players will need to replace 2 of their bowls stickers with our Associations ORANGE stickers. These will be available on the day.

There will be 3 games of 12 ends. Lunch is being provided by the host club, and the cost will be paid by our Association for our players. NOTE: Any dietary requirements please advise me as soon as possible.

If the reserves wish to attend that would be appreciated by the Association Selectors. If so, please advise me as we will have to provide lunch numbers. However, lunch will be at your own cost (\$15)

If you have any queries don't hesitate to contact either myself (either by email: blbasecretary@gmail.com) or Karen Swanson or Denise Baker (their contact numbers are in the programme book)

Once again congratulations, go out and enjoy the day.

Cheers

Sharyn Dabinet
